

Transportation from Los Angeles International Airport (LAX):

- Taxi** Taxicabs are located on the lower level of the airport, just outside the baggage claim area. Look for the designated taxi area. Taxi-fare will cost \$25-30 and take approximately 30 minutes.
- Car Rental** Most of the major car rental companies have reservation desks within the baggage claim area or a reservation phone. They will direct you to the appropriate rental van outside baggage claim at the designated stop. The van will take you to the company lot to pick up the rental car.
- Shuttle Service** There are many shuttle services from the airport. Within the baggage claim area, you will find reservation phones for some of them. To catch a shuttle, you will need to wait outside baggage claim at the designated blue shuttle stop. A one way fare will be \$9-16. The shuttle ride will take approximately 30-45 minutes and there may be one or two stops before Saint John's Health Center.
- Public Bus** At the designated blue shuttle stop outside baggage claim, take Shuttle Bus C to the Transit Terminal. From there you take Santa Monica Blue Bus #3 and request a transfer. Take #3 to 4th Street and Santa Monica Boulevard, and then use the transfer for Santa Monica Blue Bus #1 to 20th and Santa Monica Boulevard. You will cross the street to get to the clinics. The cost is \$.75 and will take approximately 45-70 minutes.
